Dear Parents and Carers,

Thanks to everyone who contributed a cake and/or attended today's coffee morning to raise money for Macmillan Cancer Support. Lots of children also took part in the "Casual Clothes Day" and donated a pound. Once we have the full total raised we will let you know. Eagle-eyed readers may have spotted the new logo for the London School's Gold Club on our headed paper. So what is the London Schools' Gold Club?

The Mayor's London Schools Gold Club is an annual scheme which celebrates and shares exceptional practice in London's primary and secondary schools. Gold Club members are schools that have succeeded against the odds in improving pupils' aspirations and achievements. Based on our 2014 SATs we are the *only* Haringey primary school to have been awarded this honour!!!

The scheme champions these exceptional London schools with a Mayoral Award, works with them to identify what has made the difference for their school and helps them share this practice and their experience with other London schools.

### European Week of Languages 2015

Next week, our school will be promoting its love of languages and its many diverse cultures by celebrating the European Week of Languages. We would like to give the children the opportunity to explore a range of language activities throughout the week and share their fantastic work in our celebration assembly on Thursday. We hope that this day will inspire interest and confidence in languages and develop better understanding of different cultures.

If you speak a language other than English and would like to come in and share your passion with the children - get involved and contact Miss Gabruk (4 Picasso) as soon as possible!! Thank you for your support.
