Campsbourne become STEM experts!

A group of very lucky children from 5 Lowry visited Greig City Academy a few times this week for three excellent robotics sessions. The children learnt how to programme and train a robot. The rest of the Year 5 children who didn't attend this time from both classes will visit Greig City in the New Year!

Overdue Fees

A reminder to all parents and carers that fees for school lunch, after-school club and breakfast club will need to be paid in full for this term as soon as possible. If you have any enquires please come and speak to the school office.

Extreme Reading Challenge

During the holidays please can you take a photo of your child reading a book in the most extreme / unusual place possible. Please send the photo into school on the first day back on Thursday 5th January. Thank you!

Classlist.com

The HSA has gone electronic! Your reps should have already invited you but we still need the rest of you to make it really work, if you haven't already: **PLEASE REGISTER yourselves on Classlist**. This gives The HSA a centralised and secure communication hub, 'a virtual school gate' where we can: share news, make announcements, set up HSA events, make payments, create "groups" like book clubs, you can communicate with each other individually, by class or year group - and that's just to start! Ask me if you have any questions. NB: you need to state your address to register but you do not have to publicise it unless you want to.
