Next HSA event – Promise Auction – 26th February

Don't forget to book the baby sitter and come along to the Promise Auction. It's a great excuse for a fun night out, a few drinks with friends and the chance to bid on the wide range of pledges on offer. There's something for everyone!

The list of pledges made so far has gone out in bookbags but it's not too late to offer up your services, please contact: **Carla 07840088898 / carla_de_moraes@yahoo.com**

It also appears on the HSA news page of the school website: **campsbourne.haringey.sch.uk** which will hopefully be updated as new pledges come in.

Tickets are on sale in the middle playground.

Summer Fair 2015 – we want to make it a fabulous day of fun for the kids!

The committee have already started talking about this year's Summer Fair. We'd like to have a lot more entertainment for the kids (as well as some of the usual favourites).

If anyone has any ideas, suggestions or wants to get involved please email: **campsbourneschool.hsa@gmail.com**

Our very successful and popular home produce stall will be returning, so why not make use of the cold winter evenings to get creative!

Jumble Sale 2015

Many thanks to Year One, Reception and Nursery parents for organising the sale. Also to everyone who contributed, baked for the cafe, helped on the day, or came along and nabbed a bargain. It all ran very smoothly and **raised approximately £2,700 – a fantastic result!**

Exciting news for bookworms

Many libraries are closing but ours is going to be given a new look! Plans are already underway to re-furbish and re-stock the school's library. Once finished it will be used by all year groups and open during breaks and after school.

It is located in the lower school opposite Ms Stewart's classroom and will be the HSA's main focus of fund-raising for this year.

The date has now been set for the YMCA Fun Run 2015 – **Sunday 17th May**. This is a lovely community event, a great way to focus on getting fit and a good fund-raiser for the HSA. There are stalls and entertainment throughout the day.

There's the 10k adult race as well as the children's 1 mile fun run inside Priory Park, which is broken down into age categories for boy's and girl's races. To enter the race apply online at: **www.enter4.co.uk/nlymca** – don't delay as places fill up fast.

There will be more information to come about organising your sponsorship and how you can raise money for our wonderful new school library.

Amended cake sale dates!

Some of the dates for the cake sales were swapped about by the teachers. Please check your class dates on the table below.

If you were lucky enough to grab one of the beautiful school calendars don't forget to change the dates printed on them. Many thanks to Veronica Barresi for organising these, the kids' artwork looked fab.

Cake are 40p*, all proceeds go directly to the class teacher to spend however they choose.

The dates below in bold are all-school bakes, so please bake or buy so we can raise money for Comic Relief or fill our cafe with lovely treats.

Cash for coins

Last year's collection raised **£150 for the HSA**, a great result from all the old/foreign coins that had been collecting dust in your drawers. Thank you to everyone who contributed.

Don't forget we are once again collecting this year, bottles are in each classroom and there's a prize for the largest collection.

Where's the outdoor science pod?

This is still going ahead – various agreements need to be finalised, we'll update you when we have more news about this great addition to our school.

Keeping in touch with you

Ms Ryan has very kindly said that the HSA can use the notice board that is opposite her office in the upper school.

The plan is to display photos from our events[†] and have one central area to display HSA news, along with photos of the committee, so you'll know who's who. Changes should take shape after half term.

[†]Also the new school website will display event photography in the near future, so keep an eye on it if you're not often in school.
