

Pupil Premium

The [pupil premium](#) is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

“It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.”

[Pupil Premium Funding & Impact \(2015-2016\)](#)

At Campsbourne, we have high aspirations and ambitions for our children and we believe that no child should be left behind. We strongly believe that it is not about where you come from but your passion and thirst for knowledge, and your dedication and commitment to learning that make the difference between success and failure.

We are determined to ensure that our children are given every chance to realise their full potential. Pupil premium funding, along with allocations made from the schools own budget will help ensure this money is spent to maximum effect.

Pupil Premium Spending:

Our pupil premium money is used to provide a range of additional support for our children and these interventions, along with quality first teaching have started to have a positive impact on children's attainment and self-belief.

Through targeted interventions we are working hard to eliminate barriers to learning and progress. One of the schools aims is to ensure that **ALL** groups of pupils make good progress in order to reach **age related expectations** as they move through the school.

Targeted support is being provided through one-to-one and small group tuition delivered by teaching assistant senior teachers and senior leaders. These interventions support children in knowing where they are and what they need to do to improve their work.

Increasing Parental Engagement has also been a focus at the school. A range of learning opportunities have been provided to help parents develop their own skills in English and maths - to make them better equipped at supporting their children at home.

Information to be published to parents:

In place of the current requirements regarding information about pupil premium expenditure, schools are now required to publish their '[PUPIL PREMIUM STRATEGY](#).' This should include:

1. In the previous academic year: [\(2015-2016\)](#)

- how the pupil premium allocation was spent
- the impact of the expenditure on eligible and other pupils

2. The current academic year: [\(2016-2017\)](#)

- the amount of the school's allocation of pupil premium grant
- details of the main barriers to educational achievement
- how the allocation will be spent to address the barriers and why these approaches were taken
- how the school will measure the impact of the pupil premium
- the date of the next pupil premium strategy review.

How will the school measure the impact of the Pupil Premium?

To monitor progress on attainment, new measures have been included in the performance tables that will capture the achievement of pupils covered by the Pupil Premium. At Campsbourne School, the usual cycle of data collection and the monitoring and tracking of the cohort's attainment, will be used to inform pupil progress and enable the early identification of need, support and appropriate intervention. Review meetings will take place at each milestone (approximately every half term) and will include a member of Senior /Middle Management and teachers.

At each milestone, the school will review the impact of actions taken and will plan for how the funding will be specifically allocated over the next phase. When selecting pupils for Pupil Premium target groups, the school will look at all pupils across the school. There are some pupils who are not eligible for PP who will benefit from these groups if their needs are similar and we believe progress can be made towards individual targets.

Pupil Premium Funding and the impact of this is a regular item on the governors' Curriculum and Resources Committees.

Designated staff member in charge: Ms Morgan Currie

Nominated governor: Mr Richard Buckley

Financial year 2016 to 2017:

In the 2016 to 2017 financial year, schools will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,320 for pupils in reception year to year 6

Schools will also receive £1,900 for each pupil who has left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

If a pupil has been registered as eligible for free school meals and has also left local-authority care for any of the reasons above, they will attract the £1,900 rate.

Children who have been in local-authority care for 1 day or more also attract £1,900 of pupil premium funding. Funding for these pupils doesn't go to their school; it goes to the [virtual school head \(VSH\)](#) in the local authority that looks after the child. [VSHs are responsible for managing pupil premium funding for looked-after children.](#)

Eligibility for Free School Meals:

A parent may wish to check their child's eligibility for Pupil Premium or continued free school meals (from Key Stage 2) which you can do [here](#).

You will need to enter your name, address, national insurance number or asylum support service number. In addition, you will need to provide your child's name, date of birth and identify the school they are attending.

Eligibility Criteria

Parents/guardians in England do not have to pay for school meals if they receive any of the following:

- Income Support
- Income-Based Jobseeker's Allowance
- Income related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income (as assessed by HM Revenue & Customs) that does not exceed £16,190
- Working Tax Credit 'run-on' - the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit
- Guarantee element of State Pension Credit

Pupil Premium is an important payment for schools and a really good opportunity for eligible parents to get even more support for their children in schools.

For more information about free meals in Haringey, please contact Haringey on 020 8489 1000.

If you have any questions or would like to know more about Pupil Premium funding and how it is being used to benefit your child, please speak to the head teacher.

If you think your child may possibly be eligible for free school meals, even if you don't want your child to eat school meals, please call into the office to collect a claim form. Every child who is eligible generates valuable income for the school.
