Campsbourne School Termly Newsletter

Spring 1 - 2018

Welcome to Spring Term 1

Year 6, welcome back to Campsbourne!

We hope you had a fabulous and relaxing Christmas break and that your children are all ready for a term full of fun and challenge!

Adults working in Year 6

Trips

In January we will be visiting Pendarren for a week. In Wales, we will be partaking in a wide-range of activities that will be great fun.

We very much look forward to going there!

English

In writing our genre is fiction and we will be exploring a finding text.

The children will learn to imitate the text, innovate on it and create their own and finally invent another story independently using the writing skills they have learnt from this unit.

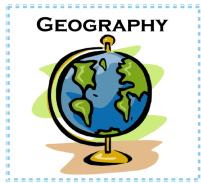

Maths

This term we will be focusing on:

- Long multiplication with decimals
- Problem solving
- Factors and multiples
- Converting different units including volume
- Fractions

History

In **History** our new topic of study is 'The Battle of Britain'. We will be studying this significant event and discovering the long-term implications that it had on Britain.

Computing

In **Computing**, we will be creating a short television advert. The pupils will also be reviewing existing adverts and promotional videos to help them generate ideas for their own video.

RE

This half term our topic is 'Sacred Texts'. We will understand what it means to belong to a religion. We will research the holy book of Islam,

Science

In **Science**, our topic will be 'The Environment, Ecology and Evolution' .

We will focus on the classifications of different plants and animals, as well as the environments they live in.

Art

In this topic we will be exploring a painting, '**An Experiment on a Bird in the Air Pump**' by Joseph Wright 'of Derby'. The children will be visiting the National Gallery in Spring 2.

PE

PE will take place on

Wednesdays and Fridays.

It is essential that your child has the correct school PE uniform for each session.

They will be developing their football skills paying particular attention to improving their technique. This will then be implemented during match play. They will go through circuit and endurance activities which include strength and power exercises.
