Children Deliver Petition to Government

Magdalena (Year 2) and Amalia (Reception) Eugster-Greenhill have been campaigning on behalf of the 130 million girls who are out of school around the world. Last week they delivered a petition of 1.4 million signatures to the Department for International Development, asking them to spend more money on education in the poorest countries. The Secretary of State Penny Mordaunt responded almost immediately to thank them for their efforts!

Call out for all Unused Instruments!

Do you have any unwanted/grown out of instruments gathering dust in the attic. WE NEED THEM. The demand for instrumental music lessons at Campsbourne is growing. To help with this upsurge in requests we are building up our own supply of instruments. We are looking for flutes, clarinets, trumpets, violins and guitars in particular. Please see Jeannie if you need further information.
