Hello Everyone

Bronze Award for Eco Committee

"Well done to the Eco-committee for achieving their Bronze Eco Award! They have been working hard over the last two terms to help transform Campsbourne into a more sustainable, environmentally friendly school. Why not get involved in their next project and become an Eco-Warrior too! Over the next two weeks the Eco representatives from each class will be collecting unwanted toys, books and games in exchange for special raffle tickets which can be used to 'purchase' something new. This event is called Re-Love your stuff and to take part all you need to do is bring in something that you no longer play with, you can bring up to three items. If you have any question please ask you Eco representative or Miss Worth. Remember to reduce, **reuse**, recycle!"

1st Aid Course for Parents

After half term we will be having a special Health and Safety Week. During this week, all classes will receive basic first aid training. As part of this we are hosting two parent workshops. These will take place on 7th June at 9am and 2pm. This 1 Hour First Aid for Parents Workshop provides you with the opportunity to gain the skills that could save a child's life. Skills include: Incident Management (DR ABC); Basic Life Support (child and baby); Recovery Position and Action for Choking.

Congratulations to James Keane

Congratulations to James Keane who completed the London Marathon in a time of 5h 50mins and 47 seconds. There is still time to donate money to raise money for Pancreatic Cancer on his Just Giving Page
