

# YEAR 3 NEWS

Campsbourne School Termly Newsletter

SUMMER 2 2018

## Welcome to Summer Term 2

Dear Parents and Carers, welcome back to Campsbourne! We hope you had a lovely half-term break and that your children are ready for the final term of the academic year!

## Adults working in Year 3

### Class Teachers

Monet - Miss Springer-Best

Kandinsky - Miss Patsouris

### Support Staff

Sharon Hodson

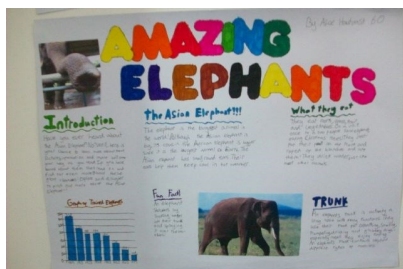

## Potential Visits

Year 3 will be visiting Hornsey Parish Church.

## English

This half term we will be learning how to write non-chronological reports. The children will look closely at the features and learn to write their very own!

## Maths

This term we will be exploring and developing our skills within these mathematical units:

- Length, weight and volume
- Addition and subtraction word problems
- times tables

## History/Geography

In **history** we will complete our learning about Ancient Egypt. We'll explore hieroglyphics and the powers of Egyptian Gods. In **geography** we'll be learning about 'Where and Why the Earth Rumbles', investigating volcanoes, earthquakes and mountains.

## Computing

In **computing**, we'll continue to will develop our understanding of how email works. They will gain skills in using email and become aware of broader issues surrounding email, including 'netiquette' and online safety. Children will learn to add in attachments and safely communicate with their teachers and peers online.

**SAFETY  
FIRST**

## PSHE/RE

We will continue with personal safety and children will assess different levels of risk involving problem solving, learn about their sixth sense and how to use their senses to help keep themselves safer. In RE we will explore Hinduism and Christianity, with a focus on how their beliefs are expressed.

## Art/D&T

We will complete some artwork for the Crouch End Festival based on nature and the importance of it.

Children will also plan and design a shell structure to be used to create a container.

## Science

In science, we will continue to investigate electrical circuits. Children will learn about which materials are good conductors and insulators. We will also evaluate magnetism and electricity generators.

## PE

PE will take place on **Wednesdays**.

This term's focus will be on tennis and building racket skills, varying the speed and direction of the ball.. On alternate Fridays, children will focus on the use of a range of athletic skills and incorporating different techniques into movement. It is essential that your child has the correct school PE uniform for each session.

## Spanish

Children will continue to recap counting, days and months of the year and also learn how to state their likes and/or dislikes with nouns and infinitives.

## Music

Following on from work on musical accompaniments, Year 3 will continue to learn how to tell stories through music. They will explore sound colours - using dynamics, tempo and texture.

## Homework

Homework will be handed out each week on a Friday with the expectation that it will be returned to school by Wednesday.

**It is the child's responsibility to make sure their homework is handed in.**

There will be a spelling test each week as well as times tables challenges linked to what we have been learning in class.

Please support your child with regular reading and homework help. Spare copies of homework can be requested from the class teacher.
