21st October to 25th
October

The Campsbourne Weekly

Campsbourne School's Weekly Newsletter

www.campsbourne.haringey.sch.uk

head@campsbourne.haringey.sch.uk

Hello Everyone

Campsbourne Children Sending a Message to all of Us!

I am very proud to say that over 60 children attended the global climate strike in central London today. This is an issue which I feel incredibly passionate about and one which we all need to take more seriously. We have already begun building the themes of sustainability and climate change into the geography curriculum and are looking at how we can do the same in other areas such as design and technology. In future we will look at how all children can join in these events by planning lessons which focus on this incredibly important issue for the day. And most importantly we will review everything we do to make Campsbourne more sustainable. Watch this space and be prepared to change the way we do things!

TANYA IS CALLING IT A DAY!

I am sorry to say that Tanya has decided to call it a day and step down from her role as Chair of the HSA. Tanya took on the role shortly after I joined Campsbourne and has been nothing short of amazing during the past four years. I know from working closely with Tanya how much work goes into rallying the troops and organising events, all of it in her own time! Her commitment to Campsbourne and all of the children who attend is an inspiration to all of us and I am very grateful for all her hard work and support. I'm not sure what Tanya has planned for the future but I can't see her sitting still for too long and wish her all the best and I am sure we will still see her at HSA events in the future.

Campsbourne Supporting Tottenham Foodbank this Harvest

Thank you to everyone who has made donations to our harvest appeal so far. This year we're asking you to help feed local people in crisis by collecting tinned and dried food for the Tottenham foodbank. We are asking everyone to rally round to give items such as breakfast cereals, pasta sauces, tinned veg, tomatoes, meat, rice and sponge pudding, sugar, UHT milk, fruit juice and pasta. Many families struggle to put food on the table but the good news is that you can be part of the solution. The foodbank helps local individuals and families in crisis through the provision of emergency food supplies donated by churches, schools, businesses and the general public. **Unfortunately at the moment we only have enough for a few families.** With 1 in 5 people living in poverty in the UK, people are going hungry in their own homes so we need to do much better.

Christmas Lunch
Wednesday 11th
December

The circumstances surrounding a crisis are unique to every individual, so the foodbank partners with frontline care professionals, such as health visitors, social workers and other community-based support workers, who are able to identify and refer people facing hunger to the foodbank. As well as receiving nutritionally-balanced 3 day food parcels, people are welcomed with a cup of tea, listened to and signposted to

agencies that are able to help resolve the underlying cause of the problem. The demands on the foodbank are as strong as ever and this is where we can help. Please join with us by giving food so that local people in need don't go hungry. Thank you. NB: Please make sure all food is unopened, non-perishable, in date, and undamaged. There are drop off points in both the infant and junior school halls.

Jeans for Genes Day

Well done and thank you to everyone who helped raise money for children with Genetic Disorders by wearing their Jeans and donating £1. The money raised is going to a wonderful cause and will help many children, and their parents and carers, with the challenges that they face.

Bike to School Week – Dr Bike to Attend on Thursday 26th September.

Between the 23rd and 27th September we will be celebrating Bike to School Week. During this week we will be encouraging staff and children to cycle to school. Cycling is great exercise and helps to reduce carbon emissions with less cars on the road. A Dr Bike mechanic will come to the school on Thursday 26 September from 12 - 3pm to check the children's bikes are safe and road worthy. The school does not accept any responsibility for the work which the mechanic carries out so please check the bikes yourself before your child uses them.

Accelerated Reader Parent Workshop: Tuesday 24th September at 9am

On Tuesday 24th September at 9am, Mrs Baptiste will be running an Accelerated Reader workshop in the Eco room for parents from Years 3 to 6. This is one of our reading resources, which the KS2 children use regularly to support them and encourage a love for reading. It will be explained how the online system works and how you can support your children with it. So come along and find out more!

Have a lovely weekend

Jonathan Smith
