

Dear Parent / Carers,

New Website

Some of you may have noticed that we have updated our school website. It has a fresher and more vibrant feel to it but follows a similar layout to the previous version. The year group pages are slightly different and have what we hope is a more user friendly layout. We will also be adding some new functionality over the coming weeks including online absence forms so you don't have to drop off paper version at the office. I will keep you updated with further additions as they happen. We hope that you find the new website useful, if there is anything missing or any improvements which you think can be made please do email me and I'll do my best to incorporate any suggestions.

Miss Best – Black Community Lead

Miss Best who some of you may remember was our Year 5 teacher before she went on maternity leave has a new role which is focusing on raising attainment levels for black African and black Caribbean learners. She will be working closely with individuals and small groups both in class and outside class, covering a number of needs which include academic, social and emotional. A very important part of her role is to be the bridge between the school and the community and being a voice for parents and families to share any of their thoughts. Miss Best is looking forward to working with our black Caribbean and black African families more closely.

Term Dates for 2021/2022

Due to the Queen's Platinum Jubilee, which falls during the summer half term, schools have an additional day off. To ensure consistency across all Haringey schools this additional day has been put at the end summer term which now ends on **Thursday 21 July 2022** and not Friday 22 July 2022, as previously stated.
