

At my recent class rep meeting parents mentioned to me that the school calendar can be downloaded to your email account which they found very useful. I have created a set of instructions below for those of you who would like to do this.

Click on Calendar

Scroll to the bottom and click on Subscribe.

Click in the calendar which you wish to connect it to.

The screenshot shows the Campsbourne Primary School website. The main navigation bar includes links for HOME, ABOUT US, NEWS, CURRICULUM, PARENTS, YEAR GROUPS, and CONTACT. Below the navigation bar is a 'Categories' section. The main content area displays a calendar for November 2022. The calendar is a grid with days of the week (Mon to Sun) and dates (1 to 30). A black arrow points from the text 'Click in the calendar which you wish to connect it to.' to a date in the calendar. A context menu is open over the date, showing options to add the calendar to various services:

- Add to Timely Calendar
- Add to Google
- Add to Outlook
- Add to Apple Calendar
- Add to other calendar
- Export to XML

The bottom of the page shows a Windows taskbar with the search bar and various application icons. The system clock shows 17:36 on 23/11/2022.
