Art in the Park 2024

Sunday 28 April, 10:30-11:30

Free outdoor art activities in Alexandra Park

Join us to enjoy the signs of spring in the park this April and celebrate this flower-filled time of year with some paper craft, collage and nature-spotting activities. There will be fun for all the family! Family Art in the Park sessions offer nature-based arts and crafts activities that connect children with the seasons and the natural world in Alexandra Park.

Run by Katy Fattuhi, hosted by the Friends of Alexandra Park.

To book email allyparkn10@gmail.com, with the number of children and adults.
