

ONLINE AUCTION

AMPSBOURNE SCHOOL

LIVE ONLINE FROM 14TH JUNE-30TH JUNE

HELP US RAISE MONEY FOR OUR WONDERFUL SCHOOL!

WHAT IS A SILENT AUCTION?

This is an online auction where you can bid on items anytime from when the auction opens until it closes (9pm on 30th June). We are hoping to have a range of items so that everyone can find something to bid on.

HOW DOES THE AUCTION WORK?

We are collecting an amazing selection of both big and small auction prizes, which will be advertised via our online auction platform, on social media, and amongst our school community.

WHAT WE'D LOVE FROM YOU?

We would love you to donate an auction prize. The more prizes we have, the more money we will raise. Please come to us with any ideas (however big or small). Put your thinking hats on to be as creative as possible. We can always bundle smaller items but these must be new/unused.

WHAT KIND OF PRIZES DO WE NEED?

Prizes can be physical things (unused toys/books), but we would also love the school community to come together to offer up your time and skills as well. For example you could bake a cake, donate a piece of artwork, graphic design, babysitting, painting, DIY services (you get the picture).

WHEN DO WE NEED THIS BY?

We are currently building the auction site, so the earlier the better. **Please send your prize idea or service by 10th June.** This will give us time to add your info and prize offering to the auction site and promote on our social channels.

WHAT INFORMATION DO WE NEED?

Please send a description of the prize you are donating, any limits on the prize (for example must be used by a certain date), and contact information to collect the prize. We also need a high quality photo or logo, which we'll use on the platform, include social details if you would like us to share.

HOW DO YOU GET INVOLVED?

Please send all details to either:
