

# Art in the Park 2024

## Family Sessions

Free outdoor art activities

**Sunday 17 November, 10:30–11:30am**

It's that magical time of year when those weird and wonderful fruiting bodies that we know as mushrooms pop up around the park! What could be more fun than making your own..

**Join Katy Fattuhi** for some autumn themed creative fun where you can **make a mushroom with air dry clay to take home** and try your hand at other seasonal crafts. Enjoy creative time outdoors together as a family. Sessions take place in the park (or inside the visitors centre in the event of rain) - location tbc with attendees.
